### Introduction to Worship

All Saints celebrates the baptized people of God, living and dead, who are the body of Christ. As November heralds the dying of the landscape in many northern regions, the readings and liturgy call us to remember all who have died in Christ and whose baptism is complete. At the Lord's table we gather with the faithful of every time and place, trusting that the promises of God will be fulfilled and that all tears will be wiped away in the new Jerusalem.

A saint is one who has been set apart by God for God's purposes. God, out of divine love, set us apart to be the children of God. Our holy hope is that we shall see God as God really is.

In the Beatitudes, Jesus provides a unique description of those who are blessed with God's favor. His teaching is surprising and shocking to those who seek wealth, fame, and control over others.
